

Pedestrian Access
Explore options for providing routes between Brown Street and large parking areas through or between buildings.

Redevelopment Opportunity
Redevelop gateway site with a use that supports economic growth/tourism.

Pedestrian Access
Explore options for providing routes between Brown Street and large parking areas through or between buildings.

Gateway Arch
Metal arch spanning street width to mark the gateway to downtown.

Pedestrian Access
Explore options for providing routes between Brown Street and large parking areas through or between buildings.

Pocket Park
Redevelop service station as a public green space to compliment plaza-bandshell/gazebo, open lawn, shade and ornamental trees, screening.

Plaza
Create a pedestrian plaza along Anderson. Open space for festivals, events; potential future use of Depot more community based.
